

CITY OF MOSINEE PUBLIC HEARING NOTICE

The City of Mosinee Zoning Board of Appeals shall hold a public hearing beginning at 6:00 PM on Tuesday, May 30, 2017 at the Mosinee City Hall, 225 Main Street to consider the following variance application:

The property owner of 819 West 4th Street would like to construct a detached 8' x 12' utility shed in the back yard of their property at a setback of three feet and six inches (3'-6") from the east side property line. The construction of the utility shed at the proposed location would require a variance of four feet and six inches (4'-6") to exceed the minimum side yard building setback of eight feet (8') as stipulated in the City's Land Use Regulations.

The Zoning Board of Appeals may act upon the variance request following the public hearing. The public is encouraged to attend the public hearing.
